### CHAIRMAN'S REPORT

So far this year I'm pleased with how our meetings have run. At the time of writing we've had three successful meetings. Ringmer proved to be popular with our members and also attracted a number of non-members. The new online booking in system has also proved to be a success, with more & more riders choosing the new method. If there's one subject I really need to have a whine about AGAIN is rubbish! Each meeting committee members are taking home bags & bags of rubbish- is it too much to ask for you riders to take your own rubbish home? PLEASE, PLEASE, PLEASE! after all the hard work us committee members do to run these great meetings, it really would be great if you could take your own rubbish home. Whining aside, the main purpose of this newsletter is to 'plug' our annual OPEN TO CENTRE MEETING on 9<sup>th</sup> June at Park Gate, Maidstone. As a change to the normal open to centre schedule, we have added a Youth BW/SW group! More info below. Many thanks to everyone who attended our meetings this year and made them such a success they have been. Long may it continue.

All the best, Leeanne ☺

### OPEN TO CENTRE INC. YOUTH 85CC BW & SW CLASS 9<sup>TH</sup> JUNE AT PARKGATE ANY YOUTH RIDERS OVER THE AGE OF 15 YEARS MAY ENTER AS AN ADULT FOR THIS MEETING

Please find enclosed entry form for the 1066 Motocross. This is an Open to Centre meeting and a round of the South Eastern Centre Motocross Championship. Normal format of an OTC meeting is Adults only, however, GEST likes to do things differently and therefore we have included a YOUTH 85cc GROUP. Please read the enclosed regs carefully, fill the form in & send it back to Wendy as soon as you can. ENTRY TO THIS MEETING IS BY PRE-ENTRY OLY. No entries on the day or via the website.

### GEST HONOURED.

Many of you know Oscar Horton. Oscar is a life Vice President, a Director & your current Treasurer. The ACU South East Centre recently held their AGM and Oscar was nominated as President.

After a tight vote he was victorious and will now hold the post for 2 years.

This is the first time a GEST member has held this position.

Oscar started riding in 1959; he joined the Hailsham & District MCC in 1964 and took out an ACU competition licence having his first race at Brands Hatch on his Triumph Bonneville. By 1969 he had qualified for an International Licence. His best result being 7<sup>th</sup> at the 1969 Barcelona 24hr event. In 1972 he had a bad injury forcing retirement, following with 6 years years of sponsoring other riders in their road careers.
