

In 1988 the 'Bank of Dad' opened and he supported his three children in their motocross until they reached the age of 18. He recalls his best day in motocross came when his daughter Rebecca became the British Schoolgirl Expert Champion. Yes, the same Rebecca who takes your entry fees at meetings these days. Oscar has given 30 years as an official and administrator with GEST; He is now in his 70th year and still regularly rides with the Vintage MCC on his 650cc Triumph. I'm sure you'll all join me in a hearty congratulations to the Old boy..
